Dreweatt Neate and Berrys delivering Project and Property Management across the country

What can we do for you?

Let us explore the possibilities available to you to increase your income.

The financial constraints of farming are well known. We have experience in ways of creating significant income from non-agricultural activities. We know how to obtain the necessary planning consents and contracts with prospective tenants, operators or developers.

Farm Shop, Bed & Breakfast and conversion of buildings for letting

- Assess the demand
- Prepare applications and apply for planning permission where necessary
- Advise on grants
- Prepare business plans, give financial advice and put you in touch with fund providers.

Sporting, off-roading, carting etc, etc...

Windfarms

- Assess the viability of your site
- Secure options with reputable companies
- Prepare planning applications and Environmental Impact Assessments
- Analyse wind data, calculate the potential performance of the turbines
- Value your site

Composting

- Assess the sources of material
- Deal with the planning applications and negotiations with the local planning authority and the Environmental Agency
- Advise on grants
- Prepare a business plan
